

EUROPEAN MASTERS INDOOR RECORDS 2018

compiled by Ivar Söderlind, Statistician Manager of EMA January 15

I have worked with the European Masters Records for over 30 years. I started in July 1988 on behalf of EVAA (European Veteran Athletics Association). Before it was no statistic compilation with official European Masters Records. Since June 2000, when I and the Swedish webmaster Åke Runnman started the EVAA Web Site, I have also compiled and reported the European Records on EVAA/EMA Web Site.

In 2012, we started the Data Base of the European Records/Best Performances in EVAA Website. I really believe that the Data Base and the EMA Record Group with me, Giusy Lacava from Italy and Fernando Marquina from Spain has been a step in the right direction in pace with times. I will also continue to publish my Record lists with my comments on the EMA Web Site. Please check the list given below and help us in the Record Group to make it more complete.

In 2018, up to December 31, we have registered 36 European Indoor Records and 23 of these also are world records. In the European Masters Indoors Championships in Madrid March 19-24, 2018 we registered 16 European Records (3 outdoors), 11 World Records (2 outdoors) and 74 Championships records (15 outdoors).

We have 4 more results (a) which shall be ratified as European Records when/if all record forms/documents are received and ratified by EMA.

In 2017 we registered 32 European Indoor Records and 20 of these also were World Records. In 2016, we registered 47 European Indoor Records (25 World Records), in 2015 50 European Indoor Records (32 World Records), in 2014 77 European Indoor Records (50 World Records) and in 2013 40 European Indoor Record (20 World Records).

In the World Masters Championships Indoors (WMACI) in Daegu, Korea in March 2017 we noted 12 European records and 9 of these records also are world records. Totally it was 23 world records in Daegu. It's not at all as many records as in previous World Masters Championships Indoors. In WMACI in Budapest 2014 we noted 47 European records and 53 world records and in WMACI in Jyväskylä 2012 47 European records and 25 world records.

In the European Master Championships indoors in Ancona March 29 to April 4, 2016 we noted 25 European Indoor Records and 13 of these records also were World Records. This is more records compared to EMC Indoors in Torun, POL March 23-28, 2015 when we noted 20 European Indoor Records (14 World Records). The high-performance level in Ancona 2016 further is confirmed of the fact that it was no less than 218 Championships Records.

Remember when you report new Pentathlon Records to include the results for all the five events and not only the points (see in the new EMA application). From January 2014, we also have new age factors for scoring of some Combined Events. All records which are affected by the new age factors for Pentathlon Indoors are updated.

Observe that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!! Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for all distances in the Record List. For distances from 200m and more the track round must be 220yards (201.168m) or shorter.

New records can most easily be reported by the EMA Record Application! Take copies of the application from the EMA Web Site and also send a copy of the result lists to us, preferable by mail as an attachment. If the European Record also is a World Record, I will inform the WMA Records Chairperson, for their approval.

A copy of "photo finish" and "zero control test" are required for events with Fully Automatic Timing. "Zero control test" means that the Record Application must be accompanied by an electronic photo of the gun shot that shows that the clock starts just when you see the mouth of the flame, ie, one must above all prove that the clock does not start later, which would provide for a better time.

Results from European Masters Championships - EMC (Stadia/Non-Stadia/Indoors) and results from WMA Championships are not necessary to report to EMA. We in the Record Working Team also have control over the results from international competitions sanctioned by IAAF or EAA and figuring in the IAAF and EAA Calendars. If IAAF and EAA accept results that are made in accordance with their regulations, we need no further checks.

= the track round is more than 220 yards (201.168m) (no official record).

* = new records registered 2017

* = new records registered 2018

a) = the record will be ratified when/if all record forms are received and registered by EMA

EMC = record noted in European Masters Athletic Championships Indoors

EVC = record noted in European Veteran Athletic Championships Indoors

WMA = record noted in WMA Championships Indoors

EC = record noted in European Championships Indoors

Welcome to the official EMA Web Site: www.european-masters-athletics.org/
